- ✓ Issuing Authority or Body checks.

Create a new Means of Transport

Quick steps

To search an existing Means of Transport...

1. Click the button **Add Means of Transport**.
2. Choose the type of transport from the list (*road vehicle, plane or ship*).
3. Depending on the type of transport you have chosen, enter either the *registration number, flight number or ship's name* or part of it. The matching transport types that have already been inserted in the system are automatically shown. **The remaining fields are automatically filled!**

To create a new Means of Transport...

4. If you were unable to locate the means of transport you wish to add, fill in the appropriate fields. **Type of transport, registration number/flight number/ship's name are mandatory.**
5. Click the green button on the right + **Create new**.

A success message is shown, confirming the creation of the new Means of Transport!

Please search for the
Means of Transport you wish to add
before creating a new one!

7a

Possible next steps

- ✓ Continue with the certificate completion.

How can I issue a new certificate?

Issuing body or authority checks Box 15

Quick steps

1. Select if the results of the **Documentary Check** have been **Acceptable** or **Not Acceptable**.

2. The regulation regarding the **Verification of the Product origin** is automatically filled in.

3. Specify if the results of the **Physical Checks** by **CB** or **CA** have been **Acceptable**, **Not Acceptable** or **Not Done**.

*In the case that Physical checks have not been done, you will have to select if the **Verification of declaration of the exporter was Credible** or **Not credible**.*

4. Read the Declaration thoroughly and click "Sign Declaration as **[CB or CA]**" as per Regulation No 1235/2008.

You can consult the regulation by clicking the blue link.

All fields are mandatory and must be completed.

Possible next steps

✓ Member State authorities checks.

How can I endorse a new certificate?

Relevant Authority Verification Box 17

Quick steps

1. Add Means of Transport. *This is optional.*
 2. Specify the results of your Checks (Documentary Check and ID Check) as **Acceptable**, **Not Acceptable** or **Not Done**.
 3. Specify also as the results of the of the Physical Checks and Laboratory test as **Acceptable/Satisfactory**, **Not Acceptable/Not Satisfactory** or **Not Done**.
- If there is a Corresponding Health Certificate, its Reference can be found here.*
4. Enter your Customs Declaration Reference or reference number of simplified customs procedure.
 5. Box 17 When filling in the Verification of the consignment box, enter your Conclusion and state if the certificate is: **Clearable**, **Clearable as conventional**, **Not clearable** or **Base for extract**. For more details, please turn this card.
 6. If irregularities/infringements are detected, link to OFIS.
 7. Click "Sign Declaration as [Relevant Authority]."

You can consult the regulation by clicking the blue link.

Clearable: product is released for free circulation as organic.

➤ **Base for extract:** select if consignment will be released in different batches. The **First Consignee** information field is then empty.

Clearable as conventional: Consignment is released for free circulation as NOT Organic but as conventional.

Not clearable: consignment cannot be released for free circulation in the EU.

Possible next steps

- ✓ First Consignee signs Declaration.

How to manage extract certificates (releasing in batches)?

Create a new extract as an Importer

Quick steps

1. Click on the menu "Certificates > C.O.I." > "Advanced Search".
2. Enter specific information on the certificate you wish to consult, and choose **Base for Extract** in the Certificate status field. Then, click the "Search" button.
3. Open the original certificate and at the end of the page click "Initiate Extract".
4. ^{Box 10} Enter the **Consignee of the batch obtained from splitting** information for the extract to be released. *Not mandatory.*
5. Enter the **Net weight** to be released in this extract as well as the **Package count**. *Mandatory.*
6. Click "Submit for Endorsement as ^[Importer]".

The systems checks for the quantity consistency with original certificate and previous extracts.

Special considerations!

Please read carefully.

Base for extract: consignment will be split into different batches, according to **Regulation 1235/2008 Annex VI.**

The certificate must be marked as **Clearable in the Verification**. If that is not the case, the Relevant Authority will not be able to endorse the certificate.

If the certificate was marked Base for Extract, the **Importer** can initiate a new extract certificate.

Possible next steps

- ✓ Back to step 6. of previous card 9
- 7. Click "Sign Declaration as ^[Relevant Authority] „

9a

How can I approve the reception of a new certificate?

Box 18 First Consignee Declaration

Quick steps

Continues from card 9 if no splitting into batches...

1. ^{Box 18} Certify that the goods were received in accordance with the conditions specified in the regulation, by choosing between: **Accept** or **Notify irregularity to control body or authority**. A link to the OFIS system is shown.

2. Click "**Sign Declaration as** ^[First Consignee]."

Congratulations!

The Certificate Of Inspection
is now completed!

In an Extract COI,
the Consignee signs in Box 15.
Also there is no link to OFIS -
an irregularity must be notified to OFIS from
the underlying COI.

How can I search existing certificates?

11

Quick steps

1. On the Homepage, click "**Certificates**" > "**C.O.I.**"
2. Type your search criteria and click "Search". *You can also perform an "Advance Search".*
3. Look for your certificate among the search results and click the **Reference Number** link.
4. Consult the certificate details.

You can consult the procedures by clicking the links along the certificate.

Possible next steps

- ✓ Create new certificates.

How do I create a new Operator?

On first login...

Quick steps

1. In the Welcome page, select "**Operator***" as user profile, based on your organisation type. **Operator = importer, first consignee.*
2. If you cannot find your company via the search and advanced search options, click the button **+ "Create Operator"**.

3./4. Enter the Operator Details, such as Name, Nature, Country, City and Address. *Please note that mandatory fields are marked with an asterisk *.*

4./5. Click the green button **+ Add Activity** and select a **Section** and **Activity** from the drop-down lists.

5./6. Click the blue button **Create**.

The new Operator needs to be validated by an administrator and then is added to your roles.

Via User Management...

Quick steps

1. On the horizontal menu, click "**Organisations**", and then "**Operators**".
2. Enter your company's full name or part of it and click **Search** or use the **Advance Search** to narrow the listed results.
3. If you cannot find your company via the search and advanced search options, click the green button **+ New Operator**.
